

## FL 1500 C DMX

---

Transform your interior with FL 1500 C Series. This lighting solution can revive your indoor settings, whether it is theatres, wellness areas or pool areas.

The FL 1500 C generators constitute the first real LED replacement for metal halide light generators, replacing the 150W MH. The projectors endure a drastically longer lamp life, meaning no regular lamp changes and 33% less power consumption.

Not only does the FL 1500 C Series feature a 6-colour wheel and a twinkle wheel, facilitating different scenarios for your interior. It boasts dimming, colour and twinkle wheels which can be controlled by various control systems, DMX etc. The generators hold instant-on and require no cool down time. It includes warm white and neutral white light solutions.

Take your lighting solution to a superior level and let your interior be illuminated with our FL 1500 C Series.
